

As a *Friend of Namaste*, you are ensuring Namaste students have what they need to be healthy and succeed academically. As our thanks for your generous support, you will receive personalized communications throughout the year from Namaste, highlighting the impact of your contributions on our health, wellness and academic programming. *Friends* who join at the \$250 and \$100 monthly levels will have the opportunity to follow a child throughout his or her time at Namaste by receiving personal letters, photos and cards from an individual student.

**MOVE, NOURISH, LEARN**

Each trimester we will share with you updates and inspiring stories from Namaste’s innovative physical education and physical activity programming, nutrition education programming and healthy eating initiatives as well as dual language, Peaceful People and academic programming in the MOVE, NOURISH, LEARN newsletter.

**Monthly sponsorship levels:  
\$250, \$100, \$50, \$25**
