

Namaste Wins Top Healthy School Award

Namaste's Executive Director Allison Slade recently accepted the Alliance for a Healthier Generation's prestigious Gold award, given to just six schools nationwide this year.

We are proud of the hard work of our staff and families who help Namaste ***inspire change in America's schools*** and ensure our own students are ready to learn in a healthy, supportive environment.

President Clinton congratulates Namaste's Executive Director for making meaningful healthy changes that boost student learning.
